County reservations must be at your county MSU Extension office no later than September 22, 2006. Please use Workshop # 401 when entering reservations on the MSUE 4-H Workshop Registration System. Participants must pre-register for sessions J to K. Choose five sessions as your first choice and two sessions as your second choice for a total of seven choices. "If you choose a two- or three-part session, be sure to count all the "parts" in your total of seven choices. For example, Stained Glass has three parts and counts as three choices. Enter each of your top five choices in the "Options" section at the beginning of the registration form and alternate sessions in the "Special Requests" section at the end of the registration form.

**WHO SHOULD ATTEND:**  
Adult and teen (13 years old by January 1, 2006) 4-H volunteer leaders and other adults who work with children and youth in various educational settings are welcome to attend. The 2006 workshop is for individuals who are willing to re-teach the skills and knowledge gained at the workshop to other youth. The workshop also is for individuals interested in integrating visual arts and crafts activities into other youth projects. All sessions will be taught with teens and adults together.

**CHAPERON POLICY:**

Counties **must** provide adult male and female chaperons (adults who have gone through the Volunteer Selection Process within your county) when sending young people. Chaperons are responsible for serving as role models and guiding youth behavior at workshops. The preferred ratio is one adult to five youth of the same gender for youth aged 13 and up, and one to three for youth aged 12 and under.

When county staff are registering a chaperon on the MSU Extension 4-H Workshop Registration System, they should be sure to register the person's status with a "C" for chaperon and check "Yes" to indicate that they have gone through the MSU Extension Child Well-Being Volunteer Selection Process. The State 4-H Office will accept and process youth registrations only when an adult of the same gender is identified as the chaperon. If a workshop fills to capacity before a chaperon is identified, participants will forfeit their opportunity to attend.

**MEDIA RELEASE/MEDICAL TREATMENT AUTHORIZATION:**

When registering for a statewide 4-H workshop, youth participants, aged 18 and under, **must** submit completed and signed Medical Treatment Authorization section of this form to their county MSU Extension offices. The forms are then sent to the workshop coordinator.

All workshop participants, teen and adult, are encouraged to complete the Media Release section of the form. This section authorizes Michigan State University Extension to record and photograph workshop participants and to use these photos and recordings in educational and promotional publications and programs.

**WORKSHOP PURPOSE:**

- To become familiar with the new 4-H curriculum called *¡Qué Rico! La Cultural Latino Cultural Arts Bilingual Group Activities for Youth K-8*.

Participants are expected to follow all workshop guidelines. Theft, vandalism the use of illegal drugs and alcohol, and other such offenses are strictly prohibited, and anyone involved with these offences will immediately be sent home at his or her own expense.
